**RESUBMISSION OF SIXTH SUPPLEMENTAL  
INFORMATION DISCLOSURE STATEMENT**

Sir:

During a telephone conversation held on June 25, 2007, Applicants' representative, Victoria Silcott, inquired as to whether Examiner Irene Marx could return of a copy (with the Examiner's initials in the left column in accordance with M.P.E.P. § 609) of Form PTO/SB/08A, which was submitted with the Sixth Supplemental Information Disclosure Statement ("IDS") filed with the U.S. Patent and Trademark Office ("USPTO") on August 9, 2004 in the above-captioned application. Examiner Marx stated that the USPTO did not have a record of the August 9, 2004 IDS and requested Applicants to resubmit the IDS. Therefore, Applicants submit herewith a copy of the August 9, 2004 IDS and the date-stamped postcard indicating receipt of the documents in the USPTO.

Although a copy of the references, except U.S. patents and U.S. patent application publications, were submitted on August 9, 2004, Applicants resubmit a copy of the references for the Examiner's convenience. In considering the cited references, it may be noted by the Examiner that certain of the references may contain markings, underlinings, and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the cited

references. Any such markings were either present on the copies of the cited references obtained by the associated individuals, or were made thereon during the study of the references by the associated individuals.

Consideration of the foregoing plus the prompt return of a copy of the enclosed Form PTO/SB/08B with the Examiner's initials in the left column in accordance with M.P.E.P. § 609 are respectfully requested.

The IDS filed on August 9, 2004 included a check in the amount of \$180.00 in accordance with 37 C.F. R. § 1.17(p). Therefore it is believed that no additional fees are necessary for consideration of this Information. However, in the event that the USPTO determines that additional fees are necessary, the Commissioner is hereby authorized to charge any such fees to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,
